Dear Pipi

I have been crying and feel you wont call again.

I prayed about it and feel you are alive.

I feel nobody is staying at 19 carston grove as I tried your landline.

I hope you see this email

I am not allowed to contact Viju and Steve due to o their injunction. Alex contacted Steve at work and he said he will keep your information secret

The Basingstoke police said you gave Viju power of attorney and she has a right to keep secret forever your whereabouts, and I can never find out if something happened to you.

I got 2 texts from Cornwall from your mobile and wonder if it was you that sent them

Love and tears

MONI
