Dear Agnes,

I hope this letter sees you in good health and cheer and all is well with your family.

I have been to your house in 2014/2015. I realise you became my parents neighbour opposite. My diary shows I met you in December 2014 for the first time when my late mother Radha had phoned you to drive to me and help me reach her house because I had lost my way and was near the Carston Grove community centre-I don't recall its exact name.

On 20th March 2 weeks ago, Mrs. Tidbury said she called you and you told her daddy has gone to stay with the other sister. I understand you are unable to give me a bulletin on Daddy's latest condition, as my sister lives several miles away and my father is not chatty like Radha.

I am not going to ask you for any such information. I am going to give you some information, which he, I spoke to him subsequently on his Whatsapp. He had previously said he would talk on Whatsapp daily when he returns to 19 Carston Grove. Alas I am afraid he may not return. I am crying. Last time I spoke to him he said he was seriously ill, and I could hardly hear his voice sounding like wind rushing through a pipe. After that, his whatsapp became permanently unavailable.

I assure you I do not expect any information from you. I like to handwrite personal letters but my handwriting is awful. With your legal identification is not required, a photo will suffice to rid you of any fears that I am the wrong person.

I tried your number but it is coming out unavailable and Mrs. Tidbury said you may be visiting your relatives over Easter.

URGENTLY REQUESTING TO CONNECT ON THE PHONE. THERE IS NO ROAMING CHARGE ON MY NUMBER. IT WILL COST YOU THE SAME AS IF MY HANDSET WAS INSIDE THE UNITED KINGDOM. IF YOU HAVE FREE MINUTES YOUR CALL TO ME WILL BE FREE. REMEMBER TO DIAL +44 – MY NUMBER IS STILL +44 7706 554261

thanks
