Dear Sir

I am allowed to enter the UK due to sisters lies to police in 2018 that I harassed her and am mad, which was spent in 2018 but she maintains lifelong BOGUS injunction. She wont inform if father dies but hants county council lied about him in August like he was alive and so did the nursing home. Krishnaswamy Venkataramanan had already died on 1st August. Can you tell me when and where his funeral as my sister wont.

Thanks

Mohini Hersom
