The Number 0118 9416560 is for the Tidbury's at number 20.

The Number 0118 941 1830 does not match on my databases and it is not the same number by one digit for the Slades.

I can supply both land line and mobile for Greg, if they do in fact ring for £25 + VAT

Regarding the GP. We would not supply you or anyone there personal mobile numbers I'm afraid.

Dear Del

I hope you are not shocked

I am still trying to contact Agnes Slade, w/o Greg Slade, 18 Carston Grove, RG317ZN. Her landline number 0118 941 6560 rings and nobody picks up. I learnt of Agnes, an old friend of my late Mom living at this address from Mrs Tidbury 0118 941 1830, 20 Carston Grove who told me they are there, not away or on vacation. Possibly they do not answer their phone for reasons of their own.

I want to contact Agnes through a third-party to ask her if she can take my call or call me, but don't want to disturb Mrs Tidbury.

Would you be able to find me Greg Slade's mobile number?

I also want to contact a medical doctor directly. They are in the same area as Agnes but not known to her. They are called Mr and Mrs Rock, senior partners at Theale Medical Practice. They are Iain W Rock and Claire Louise Rock Hawksbill Cottage, Newtown, Upper Basildon, READING, RG8 8JG.

Sometimes Gps give their patient their mobile so it would be less awkward to call him or her on their mobile. If its not possible I would their landline

Hi Mohini,

I have been told we cannot, and that it will have to be done in writing from you to the doctors. Sorry.

I'm not sure if they ring yet, so I will check and you will receive an Invoice.

Yes please. Please tell me how to make payment for Greg Slade's landline and mobile.

By the way, It is against your ethics or just illegal to provide a doctor's mobile?

Thanks

Mohini

25.03.2024, 10:20, "Del Hudson" <del@vilcol.com>:

Hi Mohini,

The Number 0118 9416560 is for the Tidbury's at number 20.

The Number 0118 941 1830 does not match on my databases and it is not the same number by one digit for the Slades.

I can supply both land line and mobile for Greg, if they do in fact ring for £25 + VAT

Regarding the GP. We would not supply you or anyone there personal mobile numbers I'm afraid.

There is no numbers for the two Dr's as it goes, therefore, you are better off writing to the address.

Kind Regards

Dear Del

I hope you are not shocked

I am still trying to contact Agnes Slade, w/o Greg Slade, 18 Carston Grove, RG317ZN. Her landline number 0118 941 6560 rings and nobody picks up. I learnt of Agnes, an old friend of my late Mom living at this address from Mrs Tidbury 0118 941 1830, 20 Carston Grove who told me they are there, not away or on vacation. Possibly they do not answer their phone for reasons of their own.

I want to contact Agnes through a third-party to ask her if she can take my call or call me, but don't want to disturb Mrs Tidbury.

Would you be able to find me Greg Slade's mobile number?

I also want to contact a medical doctor directly. They are in the same area as Agnes but not known to her. They are called Mr and Mrs Rock, senior partners at Theale Medical Practice. They are Iain W Rock and Claire Louise Rock Hawksbill Cottage, Newtown, Upper Basildon, READING, RG8 8JG.

Sometimes Gps give their patient their mobile so it would be less awkward to call him or her on their mobile. If its not possible I would their landline

Thanks

The best person for me to contact is Agnes whom I know personally. If I contact someone there, they can verify why Agnes is unavailable. Once I get to the bottom of it, I will have a better idea how to proceed.

I had meant to talk to the doctor personally, bypassing the secretary. Since you feel doctor details cannot be broadcasted, I will plan something else, like trying to speak to the practice manager of the surgery, writing snail mail to the surgery if the practice manager or secretary agree to forward it to the doctor.

Sorry I am not a legal genius and dealing with unethical people. I don't lie and these neighbours are not the unethical people.

If I speak to someone and they can't help me the matter ends there with that person, and I want to try something else. Talking to someone is a way forward, whether or not they co-operate.

Powers of any kind can be used for good and for evil. I don't think one person can become private at the cost of another person's life. But that is morals and there is the law versus morals. People can easily tell you a lie and as long as it sounds plausible you will do it, unless it is not allowed.

I promise I won't harass anyone. Are you happy with that promise or would you like a 10 page long story that cannot be verified. I won't be sending you that long story.

Thank you
Mohini

The best person for me to contact is Agnes whom I know personally. If I contact someone there, they can verify why Agnes is unavailable. Once I get to the bottom of it, I will have a better idea how to proceed.

I had meant to talk to the doctor personally, bypassing the secretary. Since you feel doctor details cannot be broadcasted, I will plan something else, like trying to speak to the practice manager of the surgery, writing snail mail to the surgery if the practice manager or secretary agree to forward it to the doctor.

Sorry I am not a legal genius and dealing with unethical people.
I don't lie and these neighbours are not the unethical people.

If I speak to someone and they can't help me the matter ends there with that person, and I want to try something else. Talking to someone is a way forward, whether or not they co-operate.

Powers of any kind can be used for good and for evil. I don't think one person can become private at the cost of another person's life. But that is morals and there is the law versus morals. People can easily tell you a lie and as long as it sounds plausible you will do it, unless it is not allowed.

I promise I won't harass anyone. Are you happy with that promise or would you like a 10 page long story that cannot be verified. I won't be sending you that long story.

Thank you
Mohini

Dear Del

I have tried the landline correct number for Agnes 3-4 on 3-4 days after speaking to you and since Greg is also keeping his phone switched off at the moment, I guess they are not available.

I have consulted 192.com and got almost all the residents names like houses 1-40 Carston Grove and believe the following persons are resident there at this time. If you get me ONE NEIGHBOUR who will pick up the phone, I dont care if it is a landline or a mobile

PLEASE HELP. I WILL PAY YOU WHAT YOU ASK.

Apparently, I am not allowed under any means to supply clients with neighbours telephone numbers.

We are allowed to sell Debtors Details only. This has now come from the big boss.

We are only allowed to divulge data on the people that are Instructed to Investigate. Otherwise, I am breaking the law.

Sorry.
